

HIRE INFORMATION

ABOUT

Left Bank Leeds is a developing arts and events venue based in breathtaking surroundings on Cardigan Road, Leeds. You can use Left Bank for exhibitions, parties, gigs, weddings, workshops, fashion shows, rehearsals, film shoots, markets and probably some things we've never thought of.

FACILITIES

Left Bank is former church and has a large vaulted hall (74'4 x 87'2), which can cater for 250 seated at tables or 300 standing, with plenty of space for performers or a dance floor. At the far end there is a raised area that makes for a suitable stage. There is a small room at the back that can be used as a breakout room or green room, two unisex toilets and an outdoor area suitable for small marquees or bouncy castles. There is a PA system, lighting bars, furniture and equipment available to hire. You can bring in your own equipment, provided items are free standing, don't damage the building and comply with our health and safety requirements. The building is unheated and we have two gas space heaters which you can hire from us (recommended during the colder months). The venue has a single-phase power supply with two 32 A sockets. We have 80 MB superfast Wi-Fi broadband, suitable for live streaming. Burley Park train station is a five-minute walk and buses from town stop outside.

There is no parking directly outside the building, though local on-street parking is unrestricted. A portable ramp is available for wheelchair access and once inside, the building is all one level apart from the stage area. We have no disabled toilets, but additional toilet facilities can be hired at the Cardigan Centre next door by separate arrangement.

REFRESHMENTS

Left Bank can provide and staff a licensed pay bar with a £200 minimum bar take guarantee. Our entertainment licence runs until 11:00pm on weekday nights and 1:00am on weekend nights, although there may be an additional fee for late closing. We can provide table wine, reception drinks or tea and coffee for your event (please ask for details). All profits go back into developing the building. Although there is no kitchen, it is possible to hire a small kitchen from the Cardigan Centre next door for food preparation. Alternatively, we can recommend a variety of outside catering companies and street food vendors. Left Bank supports local, organic, fair trade products where possible.

VENUE HIRE

Our hire costs are based on the period of time the building is in use, including setting up and clearing away (see Hire Costs). Discounted rates may be available for charities, community groups or regular bookings. For general hire information visit our website, or if you would like to arrange a viewing, make a booking or discuss your requirements further, please contact:
