Non-payment may result in the date being released. Cancellation fees apply. A returnable £200 damage deposit is due prior to the event date.

Hire fees are for exclusive use of the whole building, excluding the Vestry Room. There is no access to the balconies or back corridor, except by prior arrangement - see Floor Plan. A PA system and a range of furniture and other AV equipment is available to hire from Left Bank - please see our equipment catalogue for details.

Depending on the nature of your event a completed risk assessment and/or evidence of public liability insurance and security staff may be required prior to the event.

Discounted rates may be offered to certain charities, community groups or regular bookings. All money raised from venue hire goes towards Left Bank's running costs and the continued development of the building and charitable objectives. Fees may apply for late collection, additional site visits or access to the venue outside the hire period.
